This matter comes before the Public Service Commission of South Carolina (the Commission) on the application, filed March 2, 2010, by All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving (All My Sons Moving or the Company) for amendments in the Company's schedule of charges and fuel surcharge. All My Sons Moving presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina. *See* Docket No. 2006-241-T.

All My Sons Moving requests to amend the Company's current fuel surcharge approved in Commission Order No. 2008-460 by using the fuel matrix for all moves, regardless of the distance/mileage. Further, the Company requests to amend its current tariff by the deletion of the following accessorial services for all moves 0-120 miles: grandfather clock, big screen TV, extra pick up, extra delivery, flight charges, long carries, elevator, and all types of pianos except baby grand and grand piano.

Through correspondence filed March 4, 2010, the South Carolina Office of Regulatory Staff (ORS) advises that ORS has completed its review of All My Sons Moving's request to amend the Company's tariff and fuel surcharge and has determined that the overall impact of the requested changes is a net reduction in the Company's rates and charges. ORS states that it has no objection to the Company's requested amendments.

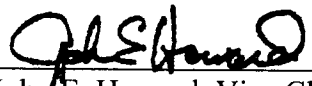

We have considered the application and conclude that the amendments proposed by All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving are just and reasonable, in fact producing a net reduction to the Company's rates and charges. Accordingly, the application of All My Sons Moving & Storage of Greenville, Inc. d/b/a Quick N Easy Moving is approved as filed.

This Order shall remain in full force and effect until further order of the Commission.
